

Alternative/Additional Ski Trip

Friday 28th of July 2017

So far the numbers wanting to go skiing with us on the Wallacetown Winter Activity Day is very low. To get our school discount on 1st Spetember we need 10 students to go skiing. To consider putting a bus on to go skiing we need 30 to want to go on the bus. It looks unlikely that we will be able to get a bus on for the 1st September trip. Families will most likely need to arrange their own transport.

So an alternative for keen skiers is to join with another school on the 28th July. The option is therefore just go skiing on the 28th July, or go skiing twice this year once on the 28th and once on 1st September (Wallacetown School Group, if we get 10 skiing children). If you go skiing on the earlier date with the others schools, your child will be able to go ice-skating/swimming on the 1st September.

Numbers need to be confirmed with the other schools so we ask all parents to **complete the form and return by Friday June 23rd 9am.**

All money for this trip is to be paid by **FRIDAY 7th of JULY.**
