We provide children with the skills for learning,
the skills for living & the confidence to have a go!

Dear Parents

Wednesday 6 September 2017

This week is turning out to be a lot quieter than the last few. The next big event is the Pet Day at the end of term. Information about that will go out with next weeks newsletter.

Our Annual Winter Activity Day last Friday was a huge success once again. While only a few took up the offer of going skiing, they had a wonderful day on the snow. For families who had their own transport the only cost was \$65 for a student and \$115 for an adult for a full day skiing and hire of all gear. All students received a ski lesson as well. If you like skiing you could not get it any cheaper anywhere! Those who went are already talking about going again next year (which will be on Friday 31st August 2018).

I went on my very first ice skating and swim trip. It was so nice seeing everyone enjoying the day so much. There was lots of smiling faces on the ice in the morning and in the pool in the afternoon. The day went like clock-work and was a lot of fun for everyone. Thank you to all the parents who came and helped out—it made everything go that much smoother.

As you know Miss Phil McIndoe is leaving at the end of the term. Next term Miss Sandii Marten is going to return to teach at Wallacetown School. She will teach in Room 3. Mr Aaron Parker and Miss Katy Rowe will continue as they have done this term to teach in Room 2.

Remember if you want to order a school photo the orders must be into the school office by Friday of this week.

If you have any questions at all about the what is going on at school call in, give us a ring or email us. For the next few days please don't text! The cell phone has died!

Have good week everyone!

Regards

Neville
