Dear Parents

Wednesday 18 October 2017

Welcome to the start of term 4 at Wallacetown School, after the fine weather we had during the break its a bit of a shock to the system these cooler days! Once the sun shines the wearing the school sun hat is compulsory while outside. Please contact the office if you wish to purchase one..

I hope you have marked Thursday 30th November on your calendar, that is the day in which the Fundraising Group get together to make truffles. If you have never been to a truffle making day before you need to talk to one of the older parents at school and they will explain. Truffle making day is a great way to meet other parents and community members in Wallacetown. We all work together in the Community Centre starting mid morning and working till all the truffles are made. Some people work all day others lend a hand for a couple of hours.

Wallacetown School has a Health Promoting Policy and as a result Wallacetown School is a 'Water Drinking' school. Parents are discouraged from sending their child to school with sugar-sweetened drinks. A daily carton of milk is available daily to each child, provided through the 'Milk in Schools' programme. The school has signed up to Water only November competition (our daily milk is allowed in the rules) so only water please in the drink bottles.

The Year 5 and 6 camp dates are set and planning almost complete. The dates for the camp are Wednesday 22nd November to Friday 24th November. While Neville and Sharon are away with the Year 5 and 6 students Mrs Nicol will be teaching in the school. The weather forecast does look better for the second half of the week. On Friday for Golden Time the children will have the opportunity to choose "Wheels". If they do bring their bike or scooters to school please make sure they are in good enough condition to be used and that the correct protective gear is brought with them.

If you have any questions about anything at all at school do contact us.

Regards
Neville
