Dear Parents

Wednesday 15 November 2017

Truffle making day is fast approaching. Truffle making day our biggest fundraising project for this year. We need helpers from 9.00am on Thursday 30th November 2017 to make the truffles. A dedicated team of organisers collate the orders and gets the kitchen in the Community Centre ready for us workers to arrive:

This is what we have to do:

- cut the truffles to size
- roll them
- coat with coconut
- place in a cooler.
- once the truffles are cool enough they are bagged and ribbon attached.

The final job is to place the orders in bags and contact people to collect the orders.

This work will start from **9am** in the morning and will carry on all day and possibly into the evening! Some people can only help during the school hours while their children are at school others come after school or after they have finished work. It does not matter when you come as long as you do - we appreciate any time that you are able to spare! Everyone is really friendly and its a great way to get to know the other parents and members of the Wallacetown Community.

You do not need to be parent of Wallacetown School to help. Any one can come along and participate in this fundraising project for our school.

Next week the Year 5 and 6 students are heading away for their camp. The senior students have camp every second year. This year's camp is based in Arrowtown from Wednesday 22 November to Friday 24th November.

This week Miss Marten will be away on special leave (Don't worry she is not sick). Mrs Nicol is teaching in Room 3 for the week.

The keys for the swimming pool are available for hire from the school office. When you are finished swimming please remember to put the cover back on and clean up and check the changing sheds for any items.

If you have any questions about anything to do with the school please just make contact with us.

Have good week

Regards,
Neville
